V-Mail 3.X

Nov-2021

Email Software for Vessel Needs

https://falconmegasolutions.com/v-mail/

What is NEW?

V-Mail is a Vessel Emailing Solution, to send and receive E-Mail messages. E-Mail Software has never been this economical, convenient, and has sophisticated features as V-Mail is. V-Mail provides high data compression which reduces expensive Satellite data cost.

Email software has never been this economical, convenient, and user-friendly features as V-Mail Software is. V-Mail software is built with user-friendly, easy configuration, and cost-efficiency in mind.

Upgrade is FREE for existing V-Mail users

Our existing Users or V-Mail License holders can upgrade to V-Mail 3.X at no additional cost.
